## EPSU Circular LC n° 33 (2016) - Update on CETA December 2016 and request for action

Dear colleagues,

Please find attached the latest CETA update. On this occasion we are translating the update - please check next week our website at <http://www.epsu.org/article/epsu-update-ceta-15-december-2016> for other languages versions.

The focus of the update is on the ratification process in the European Parliament.

There are key votes planned on CETA for 12 December (ENVI Committee), 24 January (INTA Committee) and 1 February (plenary) where your lobbying support is requested.

The most immediate task is to contact ENVI MEPs to ask their support for the ENVI CETA Opinion that will be voted on 12 January. Beyond this lobbying MEPs.

EPSU materials to support actions and awareness on CETA are available on the EPSU website <http://www.epsu.org/CETA> and do not hesitate to ask for any further information that might be helpful.

Best regards,

EPSU secretariat
